Portfolio: noura-lil-cv.streamlit.app

Professional Summary

AI student passionate about Machine Learning, Deep Learning, and Intelligent Systems. Experienced in building interactive applications using Python and Streamlit. Interested in AI engineering, research, and developing practical AI solutions.

Education

Diploma in Artificial Intelligence — 2024 – 2027

Academy Of Learning

Riyadh, Saudi Arabia

Expected Graduation: 2027

Technical Skills

Programming

Python, SQL, C++

Machine Learning

Scikit-Learn, TensorFlow, Keras, PyTorch (Basic)

Data Analysis

NumPy, Pandas, Matplotlib

Development Tools

Streamlit, GitHub, VS Code, Jupyter Notebook, Google Colab

Projects

AI Portfolio Website

- Designed and deployed an interactive AI portfolio using Streamlit.
- Showcases projects, skills, certifications, and live AI demos.

AI Color Palette Extractor

- Extracts dominant colors using K-Means clustering.
- Built with Python, NumPy, Scikit-Learn, and Streamlit.

Pixel Art Converter

- Converts uploaded images into pixel-art style.
- Includes image export functionality.

Doodle AI

- AI-powered guessing game using the Quick Draw dataset.

Number Guessing Game

- Developed an interactive number guessing game using Python and Streamlit session state management.

Certifications

- AI Skills 4 Women – Microsoft, Founderz Business School, and Tech Saudi Advocates
- Certificate of Appreciation – Advanced Computer Applications

Skills

Soft Skills

Problem Solving, Teamwork, Communication, Critical Thinking, Continuous Learning

Interests

Machine Learning
Deep Learning
Computer Vision
Reinforcement Learning

Languages

Arabic – Native
English – Advanced
